

# Field Day Reminders

Our Lady of the Cross field day is coming up on THURSDAY! ☺ We are excited for a fun filled day of games and activities for the students. Below are few things to remember for Thursday.

- Bring a water bottle with your child's name clearly marked on it- this water bottle will travel around to each station with them throughout the day
- Wear sunscreen- We are hoping for a beautiful day so the students will be outside for a good portion of the day
- Wear sneakers
- Wear the white field day T-shirt they were given on Tuesday
- Lunch will be provided- hotdogs, mac and cheese, chips, fruit, veggies, drinks, and dessert

## COLOR RUN

All students will get to participate in our color run at 1:40 p.m. on field day.

•You may send in your child's Color Run envelope anytime this week. Last year we raised \$1,400 for the PTO. The PTO supports many student activities throughout the year so let's try to beat \$1,400 this year!

IMPORTANT- For the color run the color will be sprayed onto your child's T-shirt as they complete each lap. It is a water based color liquid, but you might want to have your child wear black or a dark colored shorts just in case. They should have plenty of time to dry, however sending an additional t-shirt/shorts so they are dry to go home is a good idea!

PARENTS-Parents who are helping throughout the day will have clearances. Parents may come and watch the color run and closing ceremonies. Please note that students will still need to be properly dismissed. Send a note if you (or someone else) will be picking your child up. We will have a 'check-out' on Thursday for those not in the normal car/dismissal line.
